

Hopewell Culture National Historical Park

Working with Ohio

By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

7 national parks

2,738,275 visitors to national parks (in 2010)

\$56,716,000 economic benefit from national park tourism (in 2009)
